POLICY DIALOGUE

An initiative of Ayat Education that began with a national call to address the rising need of quality palliative care services. It aims to train doctors and nurses on the concepts and practices of basic palliative care. It also facilitates exchange of knowledge among national and international experts, holds dialogues with all stakeholders including policy makers and runs advocacy and training programs to engage the youth.

# 1 NO POVERTY

1.1:

AYAT Education is creating employment to reduce extreme poverty from Bangladesh by providing educational, vocational training and connecting with employers.

# 3 GOOD HEALTH AND WELL-BEING

3.7:

AYAT Education is working with international partners to co-develop comprehensive SRHR curriculum, work on national policy of SRHR, provide training to 600 RMG workers and create a pool of master trainers by 2021.

3.c:

Providing training and developing capacity of Bangladeshi health workforce since 2018, to achieve this goal AYAT Education has built a nursing college that will support development of competent nurses.

# 4 QUALITY EDUCATION

4.3-4.5:

Ayat Education is working to achieve 4.3- 4.5 SDG goals by providing educational and vocational training to youth and ensuring equal participation of gender and disabled people. We have trained 1578 trainees, gender ratio 55:45, female to male and 50 persons with disability.

4.c:

Ayat Education has created 270 certified TOT on Palliative care and End of Life Care. Also Ayat Education built 12 master vocational trainers on different trades.

# 7 AFFORDABLE AND CLEAN ENERGY

7.1:

Building capacity to create access to affordable modern energy saving home compliances in Bangladesh

# 17 PARTNERSHIPS FOR THE GOALS

17.9:

Partner with different universities, community NGOs, INGOs to create a social impact on health and education in Bangladesh. Eg. GIZ, BRAC, SWISS Contact, SUDDHOKHO, SIEP, NUFFIC, BGMEA, SIMMONS, BSMMU, Massachusetts General Hospital, DMCH etc.
